

PHANTOM

P H A N T O M

Permanently berthed in the heart of St Tropez "PHANTOM" is an ideal yacht for weekend getaway's or corporate receptions.

Recently refitted in 2005, she boasts comfortable accommodation for up to 6 guests with all the amenities one would expect of a yacht of her size. PHANTOM's teak and mahogany decks provide a sun worshipper's paradise with beckoning lounge chairs on the spacious top deck or the large sun area of the forward deck. The aft deck is also a perfect venue for al fresco dining, or cocktails at sunset.

The large airy salon is exquisitely furnished with restful Connelly olive-tanned hide armchairs and full width sofa, complemented by head linings in suede. A perfect mix with the modern mahogany fixtures. Of course, the salon is equipped with full size remote pop-up plasma screen and state-of-the-art Bose hi-fi. Differing zoned music can be directed to every part of the vessel. Your comfort is ensured by whisper-quiet reversible air conditioning throughout and tinted screens for privacy and comfort.
